Wolverines Win In Lovelock Games; Manogue Is Next

Local Footballers Win Easy In Lovelock By 33-0 Final Score

by JOHN FIRPO

The surprising Tahoe-Truckee Wolverines playing like a team never before in their history of football smashed a unsuspecting Lovelock Mustang club 33-0 last Friday on the losers' field. It was the best offensive show of strength put on by the Wolverines this season and not mentioning a defensive shutout. The win was the second in three starts for Coach Stan Drakulich's squad and gave them an overall 5-2 record in season competition, the best ever attained by a squad at the school.

Truckee smashed into the scoring column early. On their first series of offensive plays they fumbled to the Mustangs but held the home team to take over on their own 45. Two plays later Craig Robinson found a receiver in Steve Cowan, on a pass play good for 55 yards and the touchdown. A fake kick and pass to Trainor from Robinson was no good and TnT led 6-0.

The Wolverines kicked off and an unidentified Mustang fumbled on the return and Tackle Ray Cantrell picked it up and returned it to the Mustang 12-yard stripe.

Les Cicogni Expires On Eve Of Election

GRASS VALLEY—Funeral services for Leslie Cicogni, 51, former mayor, past fire chief and candidate for county assessor, were held today.

Leslie Cicogni

A rosary was recited at 8 p.m. Wednesday and a mass offered at 10 a.m. today in St. Patricks Church. Interment was in the Grass Valley Catholic cemetery.

He succumbed Monday apparently of a heart attack.

Cicogni was born in Central House, seven miles east of Nevada City, Nevada County, on State Route 20.

He seved four years on the Grass Valley City Council, the last two as mayor.

He was the husband of Kay, father of Robert, son of Mrs. Marie Cicogni and brother of Columbo, Carl and Manuel Cicogni, Helen Snyder and Gustine Gallino, all of Grass Valley.

BALL CLUB WILL BE FETED AT DINNER

The varsity football team at the high school will be honored at the scholarship dinner to be given at the school Thursday, November 13, between 6 and 8 p.m.

Music and other entertainment, under the direction of Ross Price and his dance orchestra, will be featured.

Roast beef with all the trimmings will comprise the planned menu.

WSCS CHILI LUNCHEON SET FOR ELECTION DAY

The members of the W.S.C.S. will hold a chili luncheon, food sale and bazaar Tuesday, November 4 in the Methodist Community Church at Truckee.

Luncheon will begin at 11 o'clock and tickets at $1 for adults, 25 cents for children.

OFFICERS WILL BE ON GUARD HALLOWEEN

Deputy Sheriff Roy Waters announced today that all the regular officers and special deputies will be out in force tonight and tomorrow in an effort to prevent vandalism during Halloween.

Waters said no distructive mischief will be permitted and the curfew ordinance will be strictly enforced.

Home-owners were warned to place garbage cans and other removable articles to a safe place to avoid loss.

MYF PLANS PARTY FOR FRIDAY NIGHT

The MYF of Truckee will sponsor a Halloween dance, Gobblins Hideaway, 7:30 to 11 p.m. on October 31. The dance will be held in the basement of the Methodist Church. Everyone is invited to come and enjoy the fun and refreshments. There will be no admission charge.

FEAST OF ALL SAINTS WILL BE OBSERVED

Father P. J. O'Neill of the local Catholic Parish announced this week that the Feast of All Saints, Holy Day of Obligation, will be observed Saturday. Masses will be held in Truckee at 9:30 a.m., the same as Sunday; at Tahoe City at 9 a.m. and at Kings Beach, 8 p.m.

Truckee Water Is Declared Pure As Tests Are Studied

Truckee's domestic water supply is excellent and free from contamination, according to the latest report on a survey made by Richard Walker, district sanitarian.

The most recent test was in the south spring area which showed the water in fine shape. Former tests were taken in the other wells and springs with the same satisfactory results, Walker said.

Repeated tests in the Truckee River have shown a marked improvement and the water is now declared well above the mark for safe drinking, the sanitarian explained. Tests taken two months ago showed an entirely different picture when contamination to a dangerous degree was found.

The river tests were made of the water running through Truckee, at the sewage treatment plant, Boca, Hirschdale and Floriston and each test showed a 240, which Walker explained was safe for domestic use. Two months ago, the water in the river at Truckee was 620, or unsafe, while Hirschdale it was up to 240,000, which was declared dangerous for any domestic purpose and at Floriston 13000, also a very unsatisfactory degree of contamination.

Walker said much of the previous contamination came from the use of the river for disposing of industrial debris from various plants in the area. All of this has been eliminated, he said, and all water is now declared useable.

The Truckee Public Utility District keeps a close watch on its supply sources and never has any dangerous contamination been discovered. Walker said he is keeping a close watch on all water supply in the area.

Hellers Will Head O. E. S. Next Year

Truckee Chapter, No. 116, Order of the Eastern Star held their annual election of officers for the coming year at their meeting on October 7th and the following officers were elected to the several offices: Pearl Heller, worthy matron; Charles Heller, worthy patron; associate matron, Margaret Craig; associate patron, Sam Faulkner; secretary Hilda Hintz; treasurer, Victoria McIver; conductress, Dorothy Rose; associate conductress, Ruby Faulkner.

Mrs. Heller, the incoming matron, will announce her appointed officers at a later date.

The new officers will be installed at a joint meeting with Truckee Lodge, F.&A.M. on Saturday night, November 22.

NURSERY SCHOOL TO AWARD TWO TOYS

The Truckee Parent Nursery School group is preparing for a Christmas fund project and plan to award two toys December 2, to be put on display this week in local stores.

A 25-inch doll, complete with an elaborate wardrobe is being made by the members and a road building set are the awards provided, according to Mrs. Lee Apple.

LOCAL WOMAN VIEWS BAY ART EXHIBITS

Mrs. Tony Polyanich attended the exhibit of the Van Gogh paintings being shown at the DeYoung Museum at San Francisco.

Mrs. Polyanich was impressed with the vivid color and lighting effects of the paintings.

She also visited her son-in-law and daughter, Mr. and Mrs. Keith Weeden at Oakland and Miss Janice Gray, a student at the University of California.

LOCAL INSTRUCTORS AT NEVADA SESSION

On Saturday Carl Lude, Virgil Mullis, and Larry Jellin attended the American Association of Physics Teachers conference at the University of Nevada. High-lighting the session on invited papers and demonstrations was Dr. William Ogle, director of nuclear testing, Pacific area, AEC, who explained the importance of the 19 test operations since 1945.

The purpose of the APTA is to foster an exchange of scientific knowledge. This professional organization is composed of high school and college teachers of physics.

PATRONIZE LOCAL STORES

Truckee Remains In First Place As Traffic Declines

Fall Decline In Travel Into California Noted In Report

Although traffic into California dropped 12 percent from August, Truckee was still in first place as a point of entry, the September report of the department of agriculture revealed.

The number of vehicles entering the state through the Truckee quarantine station dropped from a record high of 103,042 during August to 81,89 last month. This included 77,327 cars, 3698 trucks and 847 buses with a passenger count of 202,509.

The nearest station to Truckee in the number of vehicles checked was Yermo with 69,618 cars.

Highway 50 station at Meyers reported 22,901 cars, 422 trucks and 47 buses last month, and the passenger count was 62,517, the report shows.

SACRAMENTO (CNS) — Traffic on California highways during September dropped 12 percent from August but was 7.2 percent higher than September of 1957, the state department of public works reported.

The department said the normal August-to-September drop is 11.9 percent.

Comparing September with the same month last year, passenger vehicles increased 7 percent and freight vehicles were up 8.1 percent.

HALLOWEEN PARTY SLATED AT SMART'S

Reg Smart and Eddie Sardi of Smart's are preparing for their annual Halloween party to be held Friday evening, October 31.

The usual favors and noisemakers with Halloween scheme will be provided and a smorgasbord will be served at midnight. Dancing will be one of the attractions and everyone is invited to attend and enjoy the fun.

LAST RITES FOR MRS. SOPHIA KNAUSS HELD

Last rites were held Tuesday at the Sanford Funeral Home in Oroville for Mrs. Sophia Lucille Knauss, 43, who expired at Nevada City on October 25. Burial was in Cherokee cemetery in Oroville.

Mrs. Knauss was a native of Oregon, born November 1, 1914.

Besides her husband, Edward, a resident of Truckee, the deceased leaves a daughter, Lucille Byrl, and a son, Earl Raymond, also of this community; a sister, Dolly Fitch Lowery of Oroville and a brother, Earl LeMere.

PAMELA HORMAN IS HONORED AT PARTY

On Saturday afternoon, October 25, Pamela Horman celebrated her eighth birthday by having her friends join her for luncheon, with e decorated cake and ice cream followed by the matinee performance at the Donner Theater.

Those attending were: Jennifer O'Bear, Kathie Campbell, Tammie Richards, Karel Sauby, Linda Russell, Sandy Ferdinand, Diane Daly and Donna Horman.

GIRL SCOUTS HOLD MEETING AT HOME

Girl Scouts of Troop 132 met Tuesday at Mrs. James Walker's home for a regular session with Mrs. Robert Leamon and Mrs. Walker in charge.

Joyce Randall taught the group a game, "Red Rover," during the program period. It was ended with songs.

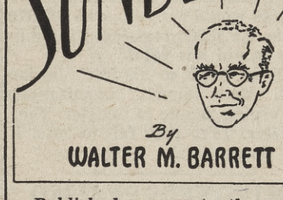
TAHOE SQUAWS TO SPONSOR PROGRAM

TAHOE CITY—A buffet, dinner-dance and fashion show will be sponsored by the Tahoe Squaws on Saturday, November 15 at 7 p.m. at the Nevada Lodge at Crystal Bay an invitation to the public to attend is being extended.

The garments for the winter fashion show are being supplied by local shops and will feature all the latest styles.

The proceeds are scheduled for charity and tickets at $2.50 may be obtained from the members or at the door.

SUNBEAMS



By WALTER M. BARRETT

Published rumors to the effect that if elected to the governorship at Tuesday's election, Attorney General Pat Brown will immediately make a sweeping shakeup in the California Olympic organizations, were emphatically denied this week by unimpeachable sources. Also denied, with equal emphasis, was a story in a national ski magazine which predicted that the first to feel the official axe would be the Truckee member on the commission. Brown's office reiterated that no commitments regarding appointments or removal of present officers have been made. Naturally changes are expected and will be made—that's politics—and no one can deny the right of a governor to select his own aides. However for any editor to presume in order to further his own desires what a governor will or will not do, is stretching editorial license a bit too far. The California Olympic Commission has indicated any investigation by official sources would be welcomed but for an editor, denied his personal wishes, to persist that an investigation is overdue is presumptuous to say the least. As a matter of fact constant audits are made, the public is invited to all sessions and nothing of official nature is hidden. The organizers have been accused of thinking more of how the taxpayers' money is to be put to good use than of how the Olympic ideals are being carried out. The commission's duties are not to stage the games, but to protect the state's investment. A legal contract provides that the organizing committee prepare for and conduct the games, and in our opinion both these organizations have done a good job in a very limited time, in spite of verbal handicaps constantly tossed in their path by the very people who should be lending the most support.

Donner Asks Board To Retain School

At the meeting of the governing board of the Tahoe-Truckee School District last week a petition was presented from residents of the Donner Summit area requesting that Donner Trail School be continued and maintained as a permanent institution.

The action followed a recent suggestion by the board that upon completion of the new Truckee elementary school, the students from the Donner area could be transported to Truckee.

The petition requested that a new all-purpose room be added at Donner Trail School.

Parents of the affected area are concerned over the lengthy trip up and down the summit for the younger children and are asking that the kindergarten through the sixth grade be kept on the summit. The board took the petition under advisement.

The board also took under advisement a laboratory report by Porter, Urquhart, McCleary and O'Brien regarding the water level on land at the Tahoe Lake School acquired from the state in exchange for right of way land. The report, taken during the dry season did not, the board contends, show the effects of the spring runoff on the property.

TAHOE PTA SPONSORS HARVEST BALL NOV. 8

TAHOE CITY—The Tahoe Lake School P.T.A. in Tahoe City, is sponsoring a harvest ball barn dance on November 8, at the Tahoe Inn, from 8 to 2 p.m. There will be a buffet dinner served. The tickets will be $1.50 a person, $3 a couple. Tickets may be purchased at any store in Tahoe City, Kings Beach or Truckee, or at the door.

Mrs. Vincent Michner is chairman of the dance committee assisted by Mrs. Edward Gill and Mrs. Robert Kimball. Mrs. Max Wuthman, Mrs. Raymond Moe and Mrs. Robert Beckman are in charge of the decorating. The refreshments are being arranged by Mrs. Robert Jorgensen. The clean-up committee is headed by Mrs. George Day. The publicity is being handled by Mrs. William Keehn.

Matt Green, Tahoe Builder, Expires In Capital Hospital

Veteran Hotel Man Dies To End Notable Career At Tahoe

Funeral services were held at two o'clock today for Matt Green, at Sacramento, cremation following at East Lawn cemetery.

Friends may send flowers to the service or send a remembrance to the St. Nicholas Mission Building Fund, in care of Charles Beardsley at Tahoe City.

The deceased was a native of upper New York, and was 85 years old last February. He arrived at Lake Tahoe at the turn of the century, 57 years ago in 1901 and immediately saw the beauty of the country and envisioned the potential growth of the area, living to realize the progress of Lake Tahoe.

He worked on the building of the Tahoe Tavern of which he later became owner in 1932. He sold the famous hotel in 1945 and moved to Sacramento where he reentered the hotel business, purchasing the Californian on I street.

Green was engaged as a building contractor at Tahoe for many years and some of the best homes there exemplify his craftsmanship.

Each year the deceased and his surviving wife, Theil, maintained the custom of entertaining at a dinner which have been long remembered by their many friends in the area.

Several years ago Mr. and Mrs. Green sold the Tahoe Tavern, moving to Sacramento where they continued to lead active lives in business and travel and often visited this vicinity.

Beside Mrs. Green he is survived by two nephews, his late sister's children, Harold Kingman of Sacramento and Ralph R. Kingman of Stockton, and other nieces and nephews and distant relatives living in New York.

MRS. PHILIPPI WILL SERVE OES DISTRICT AS DEPUTY MATRON

Truckee Chapter, No. 116, Order of the Eastern Star, has been honored with the appointment of Elmay Philippi, past matron of the chapter as deputy grand matron of the Twelfth District, which comprises chapters in Nevada City, Grass Valley, Camptonville, Colfax, Dutch Flat and Truckee.

Mrs. Philippi received her appointment from Mrs. Anne Picknell Mills the newly elected worthy grand matron of the Grand Chapter of California at the grand session held in Sacramento last week.

Attending the grand session from Truckee Chapter were Worthy Matron Lillian Miller, Associate Matron Pearl Heller, Associate Patron Charles Heller, Conductress Margaret Craig and Secretary Louise Anderson.

A school of instruction is being held this week in Sacramento for the deputy matrons and Mrs. Philippi is in attendance.

TRAFFIC WILL USE NEW FREEWAY HERE

The division of highways today announced that traffic will start using portions of the new freeway construction in the Truckee area. Traffic is being routed on the new sections to facilitate work on the freeway.

Motorists using State Route 89, Truckee to Sierraville, will cross over the recently completed Highway U. S. 40-Route 89 grade separation structure. This is being done to permit the contractor to continue with the freeway construction at this point which will require the excavation of the existing route of 89.

The first of the week, traffic will be switched to the new westbound lanes of the freeway from one mile west of Boca to Boca. Temporary plant-mixed surfacing has been placed on this section to improve the driving comfort.

FORMER RESIDENT ILL

Mrs. Ben Tonini of Morro Bay wrote that her mother, Mrs. Nelson suffered a slight stroke this week. Her local friends are hopeful for her recovery.

DEPARTMENT CALLED

The fire department was called out twice Tuesday but in both instances, damage was minimuized. One call was to the old chicken ranch east of town and the other to the home of Mrs. Elsie May on High Street.

Remodeling Starts As Hotel Planning Big Improvements

Plans for extensive improvements and additions to the Riverside Hotel, recently purchased from Mrs. Margaret Coleman by G. W. Fowler and Bernard Jensen of San Francisco, were announced this week by the owners.

The alterations are starting this week under the direction of Rex Reid, Truckee contractor, who is redesigning the exterior to provide an Alpin motif to correspond with the new named adopted by the owners which is The Alpine Riverside Hotel.

A block-long gallery to extend along the full length of the hotel's front will be in wood trim with log supports and frames. The canopy will shelter the sidewalk and provide various concessions for visitors and tourists.

Artistic shutters and gables will adorn the upper portion of the three-story structure, adding to the Alpine scheme, according to Fowler who added that it was the management's intention to provide a unique structure in keeping with the design for the forthcoming Olympics.

One of the first items in the remodeling program will be the lobby and lower floor of the hotel, where a dining area, cocktail lounge, a breakfast bar and other additions are planned. This wil be followed by reconditioning the 70 rooms on the upper floors of the hostelry where a remodeling program will be started next year.

Fowler said the new owners plan to exert every effort to make the hotel not only a area attraction but a convenience for the traveling public.

Contractors Will Scan Summit Jobs

The California Division of Highways has announced it will conduct a field review on November 6 and 7 for prospective bidders on three high elevation projects on Highway U. S. 40 that will be advertised for bids during the coming winter and spring.

The three projects to be reviewed are: from 0.5mile west of Monte Vista Inn to 0.7 mile east of Baxter's; from 0.7 mile east of Baxters to one mile west of Emigrant Gap, and the relocation of the Donner Summit route from Soda Springs to the east end of Donner Lake.

The tour is planned prior to the bid advertising so that prospective bidders may scan the areas before heavy snows make the review impractical.

The three projects are included in the state's 1959-60 budget for the division of highways.

KIT SCHULL MEMBER OF COLORADO TEAM

BOULDER, Colo.—Kit Schull of Norden, a second team all-state tackle in 1956 and first team all-state tackle in 1957, now is on the freshman football squad at Colorado University.

A physical education major, Schull is a graduate of Tahoe-Truckee High School. He earned three football letters, four in skiing, while captaining the ski team three terms, and one monogram in baseball.

He is the son of Mr. and Mrs. Kirby Schull of Norden.

WILLIAM BARR BACK TO SHIP AFTER VISIT

TAHOE VISTA—William Barr of the U. S. Navy left Sunday for his base at Norfolk, Virginia, after a three-weeks leave which he spent with his parents, Mr. and Mrs. L. D. Barr of Tahoe Vista.

The young man has traveled more than 100,000 miles during the past year stopping in Turkey, India, Greece and other far flung places in the world.

CHRISTIAN SCIENCE LECTURE ON FRIDAY

A free public lecture entitled "Christian Science, The Healing Science of the Christ" will be given by James Watt, C.S. of Washington, D.C., in the First Church of Christ, Scientist, at Reno, Friday evening, October 31.

The lecturer is a member of the board of lectureship of the Mother Church, the First Church of Christ, Scientist, in Boston, Mass.

The public is cordially invited to attend. The nursery will be open.

Many Issues Will Be Decided With Tuesday Election

More than 1,000 Voters In This District Qualified To Cast Ballots

With only one local contest, that of the county assessor in which the incumbent, Charles R. Kitts is being opposed by a writein, Miss Elva Jean Cox, the general election here Tuesday will be concerned with state and district officers and 18 propositions.

Because of the marked interest in the controversial issues, a large turnout of voters is expected and for the first time more than 1,000 residents of this district are qualified to cast ballots.

Polls throughout the district will be open from 7 a.m. to 7 p.m. on Tuesday and everyone qualified is being urged to exercise their privilege and cast their ballot for the candidates and propositions of their choice.

The sample ballot indicates the issues at stake. Voters are asked to study it carefully and then VOTE.

Elva Jean Cox Will Seek Assessor Post

Miss Elva Jean Cox, for 13 years an employe in the office of the Nevada County assessor and for seven years a chief deputy, has consented to become a write-in candidate for the office of county assessor at the general election next Tuesday.

Miss Cox

The untimely death of Leslie Cicogni left the field open to the incumbent, Charles R. Kitts, and immediately after the death of Cicogni, an Elva Jean Cox for assessor committee was formed and Miss Cox resigned her position with McClelland Field to actively campaign for the office.

Miss Cox was a spirited campaigner and received a large vote at the primary in June.

The write-in candidate has been a resident of Nevada County for 23 years and has been active in community and county affairs.

MAZY SALTER RESIGNS AS PLANNING EXPERT

AUBURN—Mrs. Mazy Salter, Placer County planning director, resigned amid a flurry of conflicting claims regarding progress toward creation of a county master plan, including planning for the Folsom Lake area. Her two-sentence letter of resignation was accepted unanimously by board of supervisors. It said:

"In compliance with the unanimous request of the Placer County Board of Supervisors and Planning Commission, I submit my resignation as county planning director.

"As suggested by Mr. (Paul) Bernard, (the county executive) December 1 will be my termination date."

SCOUT EXECUTIVE CONDUCTS MEETING

The Girl Scout basic training program between the hours of 10 and 2 o'clock Wednesday in the Veterans Memorial building was under the leadership of Miss Grace Donahower, executive director of the Sierra Nevada Girl Scouts Council.

Those taking their lunches to attend the session were: Mesdames Clifford Ellis, Nick Comola, Robert Leamon, James Walker, George Wurst, Robert Moore, and William Randall.

RAINBOW GIRLS WILL HOLD CANDY SALES

The Order of the Rainbow for Girls of Truckee will hold homemade candy sales at Z Market, Gateway Park and Welch's Hardware in Commercial Row on Saturdays, November 1, 15 and 29.

Miss Lydia Craig is worthy advisor of the order.

CHAMBER DISCUSSES TRUCKEE PROJECTS

Meeting at Smart's last Friday, members of the Truckee Chamber of Commerce discussed, without formal action the proposed recreational area, the planned airport and made tentative plans for a brief ceremony marking the turning on of the new street lights.

Due to the illness of the president, N. F. Dolley, temporarily indisposed, Vice President Zeph Rose presided.

LEITCHES VACATION

Mr. and Mrs. A. P. Leitch, former local residents have been visiting Mrs. Roxie Archie and other friends here this week. Leitch, who was the manager for the Pacific Telephone Company in this area now holds the position in the Placerville area. They are now on vacation.

3 OUT OF TEN WILL VOTE NOVEMBER 4

SACRAMENTO (CNS)—Three out of 10 registered voters in California will not get to the polls to mark their ballot November 4, one way or the other, Secretary of State Frank M. Jordan reported.

Jordan estimated that there would be 2,025,727 'stay-at-homers' of the 6,752,421 persons registered to vote in the general election, or 70 percent. The percentage of vote in years in which there is no presidential election traditionally are lower than in presidential years.

Jordan's forecast was that about an equal percentage of democrats and republicans would stay away from the polls—about 30 percent in each party. Of the 3,875,630 registered democrats, he estimated 1,162,689 would not vote, and 802,970 of the 2,676,565 registered republicans would not vote.

"It is hard to figure," Jordan said. "Many splendid organizations are urging people to register. They register. Then they fail to vote. It just doesn't make good sense."

VOLUNTEERS PRAISED IN SAFETY PROGRAM

Volunteer hunter safety instructors were lauded this week by Fish and Game Director Seth Gordon, who singled them out as being premarily responsible for California's outstanding safe hunting record in 1957.

California's program of teaching youngsters safe gun handling practices was inaugurated for the first time in 1954. It is credited with having the most to do with the reduction of the state's hunting casualties from 132 in 1955 to 79 in 1957.

The 1957 record resulted in an international award for California for its outstanding hunter safety training program. The award was made in mid-September by the International Association of Game, Fish and Conservation Commissioners.

FIBREBOARD OFFICIAL ON OLYMPICS STAFF

SAN FRANCISCO—Andrew S. Halley, vice president in charge of finance at Fibreboard Paper Products Corporation, has been named a member of the board of directors of the organizing committee for the VIII Olympic Winter Games, Prentis C. Hale, president of the organizing committee, announced.

Halley also will serve on the organizing committee's finance committee.

After graduating from Stanford in 1927, Halley started his business career as a junior accountant for Price Waterhouse & Co. of San Francisco. By the time he entered wartime service with the U. S. Navy in 1942, Halley had been promoted to supervisor with Price Waterhouse & Co. He was honorably discharged as a lieutenant commander with the navy's supply corps in 1945.

He is a director of the California Ink Company, Inc. and a trustee of Distributors' Association of Northern California Warehousemen's Pension Trust.

SCHOLARSHIP MAY BE OBTAINED FROM GM

Senior students at Tahoe-Truckee High School are eligible to compete for more than 100 four-year college scholarships offered by General Motors under its national scholarship plan, according to C. W. Sciutto, principal.

The competition is open to high school seniors who are United States citizens and who plan to take the college entrance board examination for admission to college of their choice, or who arrange to take the examination in order to compete for a GM award. There is at least one GM award in each state and more than 50 winners chosen at large. Seniors awarded scholarships under GM's national scholarship plan may attend any college or university of their choice and pursue any course of study.

More than 400 students are now attending 110 colleges and universities under the plan, initiated in 1955. Their career objectives include engineering medicine, law, the sciences, journalism, teaching, music, religion and other worthwhile fields.

Selection of award winners in the GM national plan is made by a group of leading educators representing various parts of the country.

Full details of the competition, including registration dates for examination, are available in James Brehler's office.

NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

Voices Of Angels

The voices of children in church has many times been likened to the voices of the angels and for good reason too. There is something very sincere and sweet about a child's voice as they sing the praises of God. The congregation of the Corpus Christi Church in Tahoe City had the pleasure of these voices this past Sunday when their junior choir sang several selections. A rather cute remark by one of the children was overhead by an adult. The child looked very much at ease and happy about the prospect of singing until all of a sudden he looked around and said to the child next to him, "Gee but they'll all be looking at us." However, this didn't seem to hurt the singing any —just ask the people who attended.

Hula-Hoops

This craze has caught on in Tahoe City as well as every place else. After school while driving around, I saw a child with a hula-hoop in almost every ward. If you adults think this is an easy accomplishment pick up a hula-hoop and try it (added incentive), they say it does wonders for the figure. If you want lessons you might try one of the children. Janey Shontz has really mastered it.

Birthday Party At School

Two of the children in kindergarten had their birthdays at the school the other day they were: Julie Gehlert and Donny Rabska. The parents brought the cake and refreshments and the children all joined in the fun and games. Both children just turned five, and I'm sure its a birthday they won't quickly forget. The teacher for this grade is Mrs. Herman Hinke. Each child had an individual cupcake with his or her name on it.

LIGHT CHECK ASKED BY HIGHWAY PATROL

SACRAMENTO— Commissioner B. R. Caldwell of the California Highway Patrol today appealed to all motorists to "make a frequent check of the lights on their automobiles to see that they are working properly."

Caldwell said that broken or burned out tail lights and stop lights are important contributing factors in many "rear-end" collisions.

"The high injury rate in this kind of accident emphasizes the importance of giving yourself the greatest possible protection by increasing the opportunity for the driver behind you to see your car," he continued. "It's a simple matter to test your car's lights, and the time spent in replacing a worn out or damaged light could be very short compared to the time spent in a hospital after an accident."

Tahoe-Truckee School District News

TRUCKEE ELEMENTARY

KINDERGARTEN: Nola Houlgate and Debbie Jellin have taken care of our parakeets this week.

Mrs. W. N. Baker has kindly offered to serve as room-mother for our forenoon class.

Joan Apple celebrated her fifth birthday this week.

SECOND: Sandra Echerman, Kathy Decker, Brian Smart, Jeffery Jellin, Terry Higgins, Danny Morgan, Curtis Melugin, Ryan Houlgate, Sandra Ferdinand, Bruce Leamon. Joe Merica, Monte Neugebauer, Curt Mullis, Charles Anfield, and Mary Lou Randall are the good spellers in the room this week.

Mrs. Patnoude the school nurse, weighed and measured the children of the second grade and also explained the workings of the audiometer. The machine checked their hearing. Soon they will have their eye examination.

THIRD-FOURTH: We're happy to welcome Patricia Pridmore to our class this week.

Team 3 was our kickball champion for the week. Those on the team are: Don Whiteneck, Wilbur Glenn, Phillip Risden, Gary Kehm, Lenny Vind, David Derting, Karel Sauby, Kathy Braasch, and Linda Lamar.

FOURTH: Modern day Edisons, C. Collier, J. Collier, M. Grayson, tried to light a 60-watt bulb by wiring the circuit to two flashlight batteries. Next day, with the aid of Jim Reynolds the circuit was wired successfully. Pat Merica brought several large acorns to school—these being admired by all. Garee Lynn Stewart and Grace Blakely are drawing an ugly witch. Billy Hobbs' coat reached the higher levels in class. Darlene Doolittle and Sharon Petersen received special art instruction from the "master" artist of the school.

FIFTH: Betty Saarni, Julie Knoff, Caryn Walker and the touch-down twins, Crazy Legs Straub and John "The Jet," Besio, compose the fifth grade popular song group known as the "Hand Jivers." They will entertain the class on Halloween and possibly the parents at the next P.T.A. meeting.

Betty Saarni, the class mayor, startled the class with her "Elizabeth Taylor" hair style.

Workouts commenced for the fifth grade basketball team. Coach Leslie was greeted by veterans Larry Digesti, John Besio, and Don Stowe and newcomer James Pridmore.

SIXTH: Those who made one hundred in spelling this week were: Brenda Blair, Skippy Peterson, Marilyn James, Pat Shane, Danny Garcia, David Fordam, Marcia Leamon, Judy McGwinn, David Saarni, Jeneen Smith, Jimmy Roth, Lynn Quartly, Denny Stumbaugh, Glenda Stark, Mike Sauby, and Dennis Douglas.

Our class has started achievement and mental maturity tests.

KINGS BEACH SCHOOL

SIXTH: We made paperbag masks in art.

Our class club elected new officers this week. They are: President, Tom North; vice president, Janet Sines; secretary, Holis Shaw; sergeant-at-arms, Sharon Nybmlom.

Currents Events were brought by Mitchell Carter, Carrie Payne, Ronnie Baker, Wendy Boatman and Susan Graton.

We are starting a new chapter in reading. The name of the chapter is, "What Makes You Laugh."

We also have a new girl in our class, she is Susan Knapp who moved from Truckee.

SEVENTH: The seventh grade has just completed their first unit in social studies. They used several books and made a map reading book of their own from the written work and maps. Those who did a good job on their books were Brad Thompson, Lynn Staben, Marcia Sims, Sandra Riggs, Darell Pomin, Kathy Ploof, Jim Hilgesen, Karen Henry, Larry Free, Lee Elliott, Karen Lee Critchley, Betty Christensen, Peggy Cernusak, Garry Burmer and Harry McIntyre.

The captains of the boys' basketball teams were Richard Krips and Mary McIntyre.

The new flag football captains are Brad Thompson, with Mike Knittel, David Payne and Jim Hilgesen helping.

Kathy Ploof and Sandra Snyder captained the basketball team for the girls. Karla Kiser and Karen Critchley are heading the girls in the green pinnies against Kim Molsberry and Sandra Riggs in yellow.

SECOND: Our class had standardized reading tests this week.

During art period, we have been making Halloween witches, cats and jack-o-lanterns.

For relaxation, our teacher asked us to stretch and see if we could reach the sky. When asked how the sky fell, Stephen Mandeville replied: "cottony," Polly Thompson: "just like air"; Cindy Lee Malmgren: "it didn't feel like anything"; and Shelley Wilson: "it felt like nylon." What creativeness!

TAHOE LAKE SCHOOL

KINDERGARTEN: The highlight in the kindergarten last week was gingerbread bake.

On October 21st, at snack time, a knock, knock was head at the kindergarten. Paul Corona opened the door and to his surprise there stood his grandmother with ice cream and cookies. Everyone sang "Happy Birthday" to Paul.

FIRST: Star papers were done this week by Jackie Marier, Sandy Poulsen, Christina Keehn, Laura Hoxsie, Colleen Howard, Karla Meixner, Sandra Smart, Dorothy Pomin, Matt Barrett.

SECOND: The second grade had a little visitor named Chip-Chip, a fine little chipmunk pet, belonging to Denise Kihball.

Pupils on the honor chart for the week were Tommy Handy, Cherry Bechdolt, and Kathy Mokaitis.

THIRD: The pupils of the third grade are working very hard on their writing. They are making the change from manuscript to cursive form.

FOURTH: Lynn Harper became our new spelling champ for the week. Eighteen children in the class received perfect scores in the week. ly spelling test.

Chris Beavers, Tad Hall, Dick Pomin, Cathy Barrett, and Rosemary Wray received perfect scores in the weekly social study test.

Dick Pomin and Cathy Barrett received an outstanding grade in arithmetic for the week.

FIFTH: A's in spelling: Benny K, Jerry J, Jake O, Warren M, Jeff L, Kenneth K, Jeanie K, Alex C, Julianne B, Cherly F, Greg S, Jeff Mc,

Karen Mc, Alice C, John H, Jill L, Steven R, Kristin M, Joyce A, Jean H, Dick M, Cathy C, Joan P Tommy R.

Spelling champion for the week, Karen.

A's in arithmetic: Dick N, Cathy C, Wayne J, Jill L, and John H.

LUNARDI HERE

Paul Lunardi, mayor of Roseville and democratic candidate for the state assembly, addressed a breakfast meeting of the local democratic campaigners at Smart's Sunday morning and visited briefly in this area.

Tahoe Items

Hurts Leg

Randy Pomin hurt his leg badly on Sunday while playing football and had to be taken to the Tahoe Forest Hospital for treatment. His friends are hoping for an early recovery.

Hear Talk

Tahoe Ski Club members met at the Community Center on Friday night to hear an address by Willy Schaeffler of the Olympic committee.

In Redding

Mr. and Mrs. Floyd Carnell spent the weekend in Redding as guests at the home of Dr. and Mrs. Robert Good.

Married

Tahoe friends were pleased to hear of the marriage of Mrs. Phoebe McClatchy of Sunnyside and Fresno to Judge Philip Conley of that city. Mrs. Conley's mother, Mrs. William Ellery Briggs of Sacramento was one of the earliest home-owners in the Sunnyside area.

Return Home

Mr. and Mrs. Bill Bechdolt of Tahoe Inn returned last week from a vacation trip to southern California.

In Fallon

Carl Bechdolt, Jr., and Fred Main have been enjoying the opening of the duck hunting season in Fallon.

Leaving Lake

Mr. and Mrs. George Kehlet of Meeks Bay are busily engaged in getting their resort at Meeks Bay all closed for the winter prior to their departure for their winter home in Palm Springs.

Letter to the Editor

Dear Editor:

I think we all agree that we face a future of great uncertainty. We need men in government with the intelligence and the education to grasp huge problems—men with imagination to see their solution—and men with a sensitive feeling for us private citizens so that we may be represented faithfully.

Here is why I feel that Curtis Tarr is the man to represent California's District 2 in Washington.

For two years following graduation with distinction from Stanford and again with distinction from Harvard Business School with a Masters Degree, Tarr was an instructor at Harvard. There he directed technological studies in the fields of atomic energy, industrial uses for agricultural products, tetavium and others..

As a young instructor, Curtis Tarr was chosen as one of 15 college professors to study the problem of organization, management and labor in the automobile industry at Detroit.

Tarr served as a consultant to the chief of ordnance in the Pentagon in Washington, where he attacked problems and difficulties in spending and accounting in connection with mammoth armament programs during the Korean war. Here he had unparalleled opportunity to become well known in Washington and to become acquainted with the workings of the federal government.

Tarr served as staff member of the Second Hoover Commission. This time he worked closely with many of the key men in the executive branch of our government. He was chosen to help write the final report of the Hoover Commission.

Tarr was the youngest of 60 businessmen invited last year by the secretary of defense to inspect defense installations throughout the eastern part of the nation.

Surely this candidate has earned the right to represent our district in congress.

Doris C. Clinch
Grass Valley.

CODDING, WETZEL TO OPEN TAHOE SHOP

TAHOE CITY—Codding and Wetzel Ski Center of Reno have announced the opening of their fourth ski shop this week at Tahoe City. The Reno partners have acquired a long term lease on the building which formerly housed Carl Bechdolt Jr.'s Standard station fronting on the highway at Tahoe City just in front of the Lake Chalet Motel also owned by Bechdolt.

Hal Codding and Jerry Wetzel are well known Sierra skiers and their knowledge of the retail winter sports trade has enabled them to include in addition to their main store in Reno, a shop at the Reno Ski Bowl, in Heavenly Valley at the former Stein Erikson Shop and their latest acquisition at Tahoe City.

With extensive remodeling in mind for the Tahoe City store, the Reno skiers plan on a November 15th opening deadline for both Lake Tahoe shops.

Codding, who was a member of the 1940 Olympic team and former ski instructor at Sun Valley and Mt. Rose, emphasized that prices at the Lake Tahoe shops will be the same as the Reno store with merchandise to fit all pocketbooks.

Wetzel, former University of Nevada skier and coach who is well known in Sierra ski jumping circles, pointed out that they will include a trade-in policy at Lake Tahoe for the first time this winter. Ski merchandise which has been outgrown or used can be traded in on other ski merchandise. This includes only skis, bindings, poles and boots and not clothing itself.

FIRST AID CLASSES TO START NOV. 5TH

TAHOE CITY—All those interested in taking the standard first aid course, followed by an advanced class should attend the meeting to be held Wednesday evening, November 5 in the Tahoe City Community Center.

The important courses will be taught by Mrs. Marie Henry, instructor.

Thedore Roosevelt was the first president to have the name "White House" engraved on his stationery.

Weather

Up until Sunday night the weather has been beautiful. A few thunder storms and slight shower Sunday but clear skies and a full moon are a beautiful sight.

Proclaimed

November has been proclaimed as "Religion in American Life Month." It is urged that every resident participate in this program through regular attendance at his own house of worship as an essential part of family and community life.

Cocktail Parties

Crystal Bay Club surely went to town last week entertaining guests at free cocktails and beautiful Hors d'oeuvres on two afternoons last week—the groups included auditors, tax collectors and assessors with their wives. Comments were numerous and thanks to the club were extended.

Plan Trip

Ray and Joy Plunkett are taking a few days off to go down to Monterey to play a little golf. A short vacation well earned.

Open House

Friday evening was another activity of the week at Crystal Club—with an open house party including free cocktails and gorgeous buffet, dancing and approximately a thousand attended from all over the Tahoe area, and many out-of-towners.

Better

Mrs. Malla who has been bedridden with a fractured hip was quite ill for a few days but is now much better. Hope it continues as she loves to be active.

To San Diego

Davey Ashton left Treasure Island last week and spent a day at home before reporting back to the Kearsarge in San Diego. His dislocated shoulder has almost completely healed.

In Los Angeles

Mr. and Mrs. Harvey Klitzske, Sr., have gone down to Los Angeles for a week or so on business and pleasure where they have many friends. Just had a note to say they are having a wonderful time and the weather is nice and cool now.

Left

Mr. and Mrs. Bradley Wallace flew back to San Francisco after spending several months at their home in Brockway. Mrs. Wallace will be flying to Alaska and then to New York in the very near future.

Good Hunting

Bert Hooper who went with Bud Rabska to Colorado came back with a report of good hunting—each getting an elk and a buck. We now find that Bert is a deputy sheriff of Placer County. Sure looks "sharp" in his new uniform. Congratulations, Bert.

Sad News

The many friends of Mrs. Jessica Coffin, a long-time resident of Brockway, will be saddened to hear of her passing away in Pasadena on October 24. Her daughters have suggested that any memorial gifts be sent to the St. Nicholas Building Fund for the little church in Tahoe City, in care of Mrs. Charles Beardsley, Box 2, Tahoe City.

New Orleans

Received a card this morning from the Ludlows and Waters from New Orleans. They are having lots of fun and said it is quite warm.

Nice Trip

Alice, Andy, Nina and Carl Sorensen returned safe and sound after a wonderful trip up the Redwood Highway as far as Crescent City. They had lots of fun stopping to eat along the road and staying in motels at night. They are enjoying their new Buick immensely.

No Luck

Dave Ashton, Art Mueller and Earnie Axup spent the weekend hunting in Alpine County near Markleville—they returned with no luck but were three pretty tired boys.

Busy

The Nevada Lodge at Crystal Bay was like a beehive over the weekend having lots of Greyhound buses taking people up from all over. Sure is nice to have lots of activity at Crystal Bay.

Monday

Oh, what a beautiful day! It is now noon and the temperature is 60 degrees, warm, and boats are still to be seen on the lake. No matter where you drive the scenery is a beautiful site with the trees in their autumn colors.

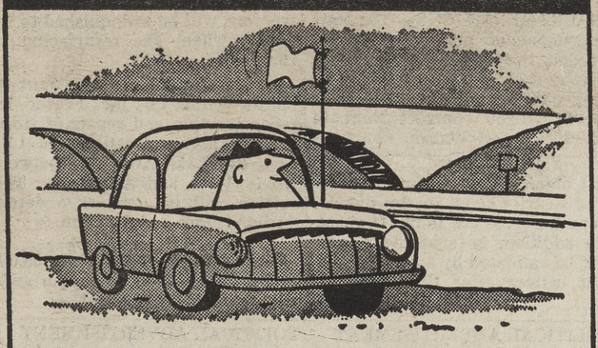
DON'T FORGET

Don't forget the 11th annual VFW Halloween party this Friday night, October 31st at 8 p.m., Crystal Bay Club. Buffet, lot of valuable prizes, balloons, dancing and loads of fun. If you don't have your ticket—get them at the club.

WILLIAM TAMBLYN NAMED KIRKWOOD CAMPAIGN AIDE

Robert C. Kirkwood, state controller, has announced the appointment of William L. Tamblyn, former county assessor and prominent Nevada County businessman, as chairman of the Nevada County Committee supporting his re-election. Tamblyn, who was elected assessor of Nevada County for two terms before he resigned to enter private business, was a former vice president of the County Assessors' Association of California and a member of their state legislative committee.

SAFE WALKING TIPS



STAY OFF EXPRESSWAYS

A modern expressway, like an icy sidewalk, is no place to take a walk. The traffic there is generally moving fast and the drivers intent on reaching their destinations in the shortest possible time. As a result, the pedestrian invites death or serious injury in crossing or walking along the shoulders.

Of course, few people choose to walk along an expressway for recreation. It generally is necessitated by an auto breakdown, following which the driver either stands in the roadway to flag down a passing car or starts to walk to the nearest garage.

The American Automobile Association warns against this practice, and suggests instead that the motorist attach a handkerchief to the radio antenna or door handle of his car and wait inside until a police patrol car sees the signal. Police assigned to expressway duty are trained to be on the lookout for motorists in distress. The wait should not be too long, and you'll avoid the danger of passing cars.

From PLANNED PEDESTRIAN PROGRAM, published by The AAA Foundation for Traffic Safety

Search for the Donner Family Camp Site

(EDITOR'S NOTE: Following is the second part in the article written by Bert H. Olson of Beverley Hills, California historian, who spent years in research and study of the trails and camps of the famous Donner Party. This article deals primarly with the search for the location of the Donner camp on Alder Creek, just north of Truckee.

—o—

THE SEARCH

In the early 1920's a high school teacher from San Jose, Mr. P. M. Weddell vacationed in the Donner region. One one of his visits to Truckee he met Mr. McGlashan. In July 1921 he had a very lengthy conversation with him at his summer cottage at Donner Lake, at which time Mr. McGlashan told in detail of his journey from Donner Lake to Alder Creek Valley in the company of Mr. Nicholas Clarke and others. From his description, Mr. Weddell spent the next few summers locating the exact trail and the Donner family camp site. He erected sign posts along the trail and at the camp.

On July 15th, 1927 he persuaded Mr. McGlashan to accompany him over the trail and they drove out to the Prosser house on the highway which connects Hobart Mills and Truckee and from there they walked into Alder Creek Valley. Mr. McGlashan pointed out the site of the Donner family camp in the midst of the still standing tree stumps. The signs Mr. Weddell had erected a few seasons before exactly coincided with Mr. McGlashan's outline of where the camp had stood and where the trail had entered the valley from the east. At this time no evidence of the trail was visible. Heavy logging operations, the grazing of cattle and the natural growth of underbrush during the passage of eighty years had obliterated the ruts completely.

From this time on Mr. Weddell spent every available summer vacation in the further marking of the trail from Prosser Creek to Donner Lake and up Cold Stream to the summit of the mountains. In time he became known about the little town of Truckee as a regular visitor and the local newspaper, the Sierra Sun, recorded his comings in the spring and his departures in the fall with due acknowledgments of his earnest effort to keep the trail posted, and the memory of the historic route alive in the minds of the local townspeople. Today anyone traversing that country will have no difficulty in following his faithful signs and directions for over fifteen miles through the forest covered hills of the Donner country. Mr. Weddell made his headquarters at the old Southern Pacific Hotel (now removed) every summer. From there he drove as far as a car could take him and then with a pack of signs and tools on his back, he hiked up on the trail replacing and repainting weather worn signs and extending them to better mark the Donner and Emigrant Trails.

It was a work of love for him and his only thought of reward was to know that he was perpeuating the history and lore of the Donner story so that future visitors to the quiet forest glades around Donner Loke would have knowledge of its interesting history, and could feel they were actually walking in the very wheel tracks of the pioneers of the early days.

Locating and keeping marked the Donner family camp was his most engrossing passion. During the winter months he delved into research at libraries to find if there was any information that would add to his knowledge of the Donner camp site. From a manuscript of John Markle, who led a party of emigrants to California in 1849, three years after the tragic Donner Party, documentary evidence of the location of the camp again coincided with his marking of the site.

Markle left the Donner Trail at Prosser Creek and journeyed along the route now taken by the present highway from Prosser Creek and Truckee. Markle stated the camp site could be seen from a high point near the junction of Adler and Prosser Creeks, and it is the only place today where one can stand and look toward the head of Alder Creek Valley and see the two tree stumps marking the approximate site as Mr. Weddell has marked it. Markle rode across the valley and found "fragments and human bones" scattered over the area in the vicinity of the cut trees.

From other sources such as logging operators and old pioneers in the district, he added to his knowledge of the old trail and particularly as to the location of the site of the Donner family camp. From all of his material he came to the firm conviction that the marking as he had done it was an accurate and truce picture of the scene as it appears today. Not considering any other evidence, his talks and trips with Mr. McGlashan are without doubt the most conclusive proof of where the camp and trail lie. Mr. McGlashan's authority on the history of the Donner Party can never be questioned. He personally interviewed practically every survivor of the Donner Party who was alive in 1879. In fact he either talked or corresponded with twenty-four out of twenty-six of the living persons intimately connected with the Donner Party at the time he published his book, "The History of the Donner Party."

In the summer of 1935 the writer of this article vacationed in the Tahoe region and became interested in the Donner Lake country.

TNT TIDINGS
by NANCY WATTS

All the seniors were very excited Wednesday, October 22. The proofs of our senior pictures had come the day before and the people from the studio, were here to take orders for the photographs. Most of the proofs came out well, and almost everyone was more than satisfied. The studio has guaranteed delivery before Christmas so they can be used for presents.

* * *

The California Scholarship Federation had its dance last Saturday night. The first dance held in the gym this year, the theme was Halloween. "Goblins' Gathering" was the name, and all the decorations were in orange and black. C.S.F. considers it's dance a success, as they made quite a bit of money. The organization is planning to sponsor an alumni reunion in the spring, so it needs to make money!

* * *

The annual staff wants to announce that the deadline for ordering yearbooks is November 15th. Since the number of annuals wanted must be known early, they want everyone to at least make a down payment on his annual. Prices are $4 with a student body card, $4.50 without one. If you only wish to make a down payment now ,it will be $2.00.

* * *

Rooters' bus tickets are on sale in the main office, for the game with Manogue Saurday. They are 50 cents a piece.

Accidents account for one-tenth of all hospital admissions and more than one-sixth of all hospital days.

NOTICE TO RECLASSIFY

PROPERTY IN ZONE DISTRICT AREA UNIT NO. 6, LAKE TAHOE

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Planning Commission on Friday, November 14, 1958, and Friday, November 28, 1958, at the Courthouse, Auburn, Placer County, California, at the hour of 11:00 A.M. to consider the petition heretofore filed by Fred M. and Alysmae N. Schultz for the reclassification of the hereinafter described lands from residential to commercial:

Lots 1 and 2, Block B, Tahoe Vista Subdivision, in Zone District Area Unit Number 6.

At said hearings all persons in favor of the granting of said petition and all persons opposed thereto may be heard.

GORDON COLLINS,
Secretary, Placer County
Planning Commission
NANCY CAPERON,
Clerk of said Commission

Dated: October 23, 1958
Publish: October 30, 1958

CHRISTMAS TREE LAW WILL BE ENFORCED

AUBURN—A drive to enforce Placer County's Christmas tree cutting ordinance is scheduled to start today.

Sheriff William A. Scott said extra men will be put on special detail in the forest areas to stop the tree theft.

Scott stated previous to last year when the ordinance was first put into effect thousands of dollars worth of trees were stolen each year.

The ordinance provides every person cutting five or more trees must obtain a permit from the judicial district court in the district where the trees are to be obtained.

In addition, he said the permit must be validated by a law enforcement officer after the trees are cut.

CONTRACTS GIVEN FOR HIGHWAY WORK

SACRAMENTO (CNS)—The state department of public works has awarded two contracts for minor highway work in Placer County, totaling $36,632.

A $19,312.50 contract went to Fredrickson and Watson Construction Co., Oakland, for resurfacing old U. S. 40 between Weimar crossroad and Illinoistown, 2.7 miles. The section, replaced by the new freeway, will be relinquished to the county when the resurfacing is completed.

A $17,319.50 contract went to Smith-Wehner Co., Inc., Fresno, for reconstruction and repair of storm damage at six locations on the Gold Run-Lake Alta road between Monte Vista and Alta road. This section will be used as a detour during future construction.

The Pacific Ocean, 63,985,000 square miles in area, has an average depth of 14,040 feet.

LEADERSHIP... to trust with your future...with California's future

Bill Knowland with daughter; Estelle and granddaughter, Emelyn.

BILL KNOWLAND as Governor will mean a better California for all of us!

- 26 Years of Public Service to His Native State
- A Consistent Record of Achievement
- A Forthright, Vigorous Program For Our State

"If I never hold public office for another day in my life, I shall continue to discuss basic issues which I believe are vital to the future of my State and my Country."

From an address by Bill Knowland. Sept. 14, 1957

ELECT BILL
KNOWLAND
GOVERNOR

A GREAT STATE DESERVES A GREAT LEADER

OUR RECOMMENDATIONS

AND WHY FOR THE ELECTION NOVEMBER 4, 1958

During 61 of the last 65 years, California has grown and prospered with outstanding REPUBLICAN LEADERSHIP. Why CHANGE NOW?

We recommend that you vote for continued PROGRESS by electing the following proven candidates to office:

FOR	
Governor	W. F. "BILL" KNOWLAND, Veteran, has served you well for 26 yars. You can TRUST BILL!
Lt. Governor	H. "BUTCH" POWERS, Incumbent, able executive, experienced, proven.
Secretary of State	FRANK JORDAN, Incumbent, with 16 years of faithful service to you.
Attorney General	PATRICK J. HILLINGS, Congressman, served on House judicial committee, energetic.
Controller	ROBERT KIRKWOOD, Incumbent, sound money manager and good administrator.
State Treasurer	RONALD BUTTON, Incumbent who has earned millions for State in sale of bonds.
U. S. Senator	GOODWIN J. KNIGHT, Good Governor, Lt. Governor, Judge and will make a good Senator.
Congressman	CURTIS W. TARR, Veteran, served with defense reorganization committee, Advisor on missiles.
Assemblyman	FRANCIS LINDSAY, Incumbent water specialist, Chairman of important State committees. He will protect our water rights.

PERFORMANCE IS BETTER THAN PROMISES. These men have proven by their records that you can rely on them to serve all the people fairly.

We urge a NO vote on Proposition No. 17 for if it passed, the State would go into the RED. It would disrupt the income of the state. Food would have to be taxed.

The Republican Party was formed over 100 years ago for the express purpose of protecting the rights of the individuals. That same challenge is before us today. Labor Monopoly (dictatorship) would deny you the right to choose which organizations you prefer to join, or not join, in order that you may earn a living for your family. Therefore, we earnestly urge you to help protect your freedom of choice by voting YES on Proposition No. 18 — THE RIGHT TO WORK.

If we can be of further service to you please feel free to call upon us. Our telephone number is Grass Valley 2585.

NEVADA LODGE

AT THE BEAUTIFUL NORTH END OF LAKE TAHOE

DONNER SUMMIT NEWS

by DONNA I. POWER

Community Club Meets . . .

Monday, October 20, the members of the Donner Summit Club held their monthly meeting at the Kiski Lodge. Preceding the business meeting a delicious spaghetti dinner, having been prepared by Mr. and Mrs. Schull, was served by Mrs. Betty Board and Mrs. Adell deRyk. Including children, about 80 persons sat down to partake of the meal. The business meeting was called to order by the president, Jack deRyk. Several important items were brought to the attention of the group. One of these being the highway from Donner Summit Lodge to Donner Lake. business people and others are concerned as to who will maintain this piece of road when the state opens the new highway, now under construction and the responsibility for this road reverts back to the counties over which it crosses. Also concern was shown for the plans the Greyhound Bus Company may have for service to the area when the new road is open. A third point of concern was the entrance to the area via a spur, which may or may not be constructed from the new road to the present highway. A meeting with the road commissioners and the county supervisors of both Placer and Nevada Counties, for discussion of these problems, is planned in the near future. Plans were laid for the annual children's and parent's Halloween party to be held at Kiski Lodge on Friday, October 31. All will arrive in costumes to participate in a costume contest. Mrs. Del Carlo and Mrs. Monroe were appointed as a committee to select the prizes which will be awarded to the best costumes in all age group classes. Games and other entertainment is planned with the serving of refreshments to be furnished by the parents. Selected to serve on a nominating committee were Ed Aro, committee chairman; Mrs. Betty Hampton, and Mrs. Madden. The committee will present a slate of nominees to the offices of president, vice president, secretary, treasurer and a board of four directors. From these names presented the membership will select their 1959 officers. Memberships for the coming year are still being accepted at a cost of $1 per person. At present 55 members are paid.

All New Snowflake . . .

New managers, Mr. and Mrs. Bert Bacon have announced the opening of the completely new Snowflake Cafeteria with the onset of this year's winter ski season. Dennis Jones has financed the construction of all the all-new building at its new location on the Soda Springs ski hill flanking the J Bar ski lift. The interior of the cafeteria style service Snowflake will be typically done in knotty pine and natural wood. Cafe tables and benches are provided for the dining comfort of all.

Dancing School . . .

The Lyddane School of Dance, now in it's third week of operation is proving very successful. Barbara Lyddane, age 10, instructor at the school, states that she is very pleased with the number of students enrolled and also their progress. Lessons are given Saturday and Sunday beginning at 10 a.m. Each student is instructed individually in the skills of tap, ballet, or acrobatic dancing, by Miss Lyddane or her able assistant Miss Bunny Board. Miss Board is herself one of Miss Lyddane's former students. Those students at present enrolled in the school are: Elizabeth and Gloria Koestoer, Tommy Rightnour, Sherman Williamson, Laural Mason, Lynn Aro, Debby Zorich, Kim Lauder, Kristine Madden, Ricky Schull, and Billy Strickland. Miss Lyddane has had her training at Rosanna's Dancing School in Menlo Park and more recently at Renee's Dancing School at Gateway. Regretfully Miss Lyddane expects to be forced to close her school with the coming of the snow. However she is looking forward to reopening again in the spring.

Halloween Parties . . .

Donner Summit Lodge extends a cordial invitation to all to attend its annual Halloween party. The festivities will commence at 8 p.m. Friday evening, October 31. Locally caught catfish will be carefully prepared by the chefs of the lodge and served without charge to all the guests attending the party.

Wofford's Motel in Kingvale also invites you to attend their Halloween party Friday evening. A buffet dinner will be served to guests who attend the festivities.

Don't forget the Halloween affair staged at North Shore, Lake Tahoe by the Crystal Bay Club. The Veterans of Foreign Wars will sponsor a party and dance with a buffet dinner, and favors.

Welcome Home . . .

Harry Pratt is back among us at his Shell service station and garage at Soda Springs, after a well-earned month's vacation. Pratt left his business under the care of Albert Barber while he visited his aging mother in Idaho. Following the two-week visit to his mother he and his family took a tour of

DON'T LET THIS HAPPEN TO YOU!

Who wants to be stuck for a NEW STATE TAX ON HOMES? Or a new State sales tax on Food? Or new and higher taxes on Gasoline?

Nobody—of course!

Yet State officials, business economists and tax experts agree that these are the almost certain results of passage of Proposition No. 17—the Monkey Wrench Tax Bill on the November 4 ballot.

No. 17 is called the Monkey Wrench Tax Bill because it would wreck the machinery of State government by its irresponsible tax tinkering.

By reducing the State's chief source of revenue—the sales tax—No. 17 would imperil appropriations for schools, hospitals, aid to needy children and the aged. By hiking California income tax rates to the highest in the nation, No. 17 would drive business from California and threaten job security.

Who'll pay to put the pieces together again if the Monkey Wrench Tax Bill strikes? Middle and lower income bracket people would pay the most—through new and more burdensome substitute taxes at both the State and local levels. Don't let it happen to you!

These, and hundreds of other responsible California organizations agree:

DEFEAT THE MONKEY WRENCH TAX BILL

the southern part of the state. Upon his return Mrs. Barber wife of Albert Barber, returned to the Barber home near Newcastle, leaving Barber and Pratt to operate the service station.

Teacher III . . .

Miss Donna Power, primary teacher at the Donner Trail School, spent Wednesday at home in bed. The flu type illness which seems to be making the rounds also took hold of our teacher. The students all were glad to welcome her back on Thursday, even though they had enjoyed Mrs. Jean Manetta of Donner Lake area in Miss Power's absence.

Sewing Club . . .

The girls of the Donner Summit Sewing Club held their first meeting of the year Thursday, October 23, after school at the home of Donna Power. Lynn Aro, Barbara Lyddane, and Susan Nord are constructing head scarfs to protect hair dos from the elements of winter. Pat Kelly, Elizabeth Koestoer Roberta Kaiser, Sharlyn Levy, Candy Colburn and Cecil Weatherfield are making wrist pin cushions as their first step in learning to sew. The cushion is an item to be used in their sewing kit.

Summit Sit . . .

The members of the handiwork club known as the "Summit Sit" held their second meeting of the month Wednesday, October 22, at the home of Mrs. James Simmons. Those in attendance were: Betty Aro, Mary Williamson, Else Bisson, Zona Madden, Valet Mason, Betty Board, and Toddy Simmons. Tasty refreshments were served by Mrs. Simmons and Donna Power. The next meeting will be held in November at the home of Else Bisson in Soda Springs.

Basketball . . .

Several of the men from the Donner Summit area are participating in the recreational basketball games held in the Truckee High School gymasium. Those who attended Wednesday, October, 22 were: Terry Lapp, Mike Woodside, Jim Bell, Bill Garbe, Allan West, and James Simmons.

In the year 740 B.C. a great king of Judah, whose name was Uzziah, died. He had been an outstanding ruler. Under his guidance the lost glory of Judah had been restored and the hills and fruitful fields resounded with the happy-hearted songs of the people. But the tragic moment struck and the king was no more. With a saddened heart and a soul filled with mourning a citizen of Jerusalem entered the Temple to seek consolation. This man's name was Isaiah. Sunday Pastor Taylor will preach on the topic: "The King Is Dead"!

TAHOE CITY—With seven gates partly open Monday, the level of Lake Tahoe was 6227.79 (provisional, subject to revision). Mild fall weather has prevailed with the temperature ranging from a cool 32 to a high of 60 degrees during the week. No precipitation has been recorded since October 24, when a light rain dampened the area.

NOTICE TO RECLASSIFY

PROPERTY IN ZONE DISTRICT AREA UNIT NO. 5, LAKE TAHOE

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Planning Commission on Friday, November 14, 1958, and Friday, November 28, 1958, at the Courthouse, Auburn, Placer County, California, at the hour of 10:30 A.M. to consider the petition heretofore filed by Dorothy A. Forbes for the reclassification of the hereinafter described lands from residential to commercial:

Beginning at a point on the Northeasterly line of the Lake Park Terrace Subdivision as shown on the map thereof filed in the Office of the Placer County Recorder in Book E of Maps at Page 58, said point being distant N 19°29'10"W 40.00 feet from the most Northerly corner of Lot 8 of said subdivision; thence N 19°29'10"W along the Northeasterly line of said subdivision for a distance of 346.43 feet to the most Northerly corner of the said subdivision, a point on the Southerly right of way line of California State Highway III Pla 39 A; thence along the Southerly right of way line of the State Highway on the following four consecutive courses:—(1.) on the arc of a curve concave to the Southeast having a radius of 1950 feet through an angle of 2°19'40" for a distance of 79.22 feet, (2.) N 55°18'30"E 207.11 feet, (3.) S34°41'30"E 10.00 feet, and (4.) N55°18'30"E 652.50 feet; thence leaving the said highway S34°41'30"E 290 feet, more or less, to the low water line of Lake Tahoe; thence Southwesterly along the low water line of Lake Tahoe for a distance of 840 feet, more or less, to a point which bears S 73°00'E from the point of beginning; thence N73°00'W 400 feet, more or less, to the point of beginning.

At said hearings all persons in favor of the granting of said petition and all persons opposed thereto may be heard.

GORDON COLLINS,
Secretary, Placer County Planning Commission
NANCY CAPERON,
Clerk of said Commission

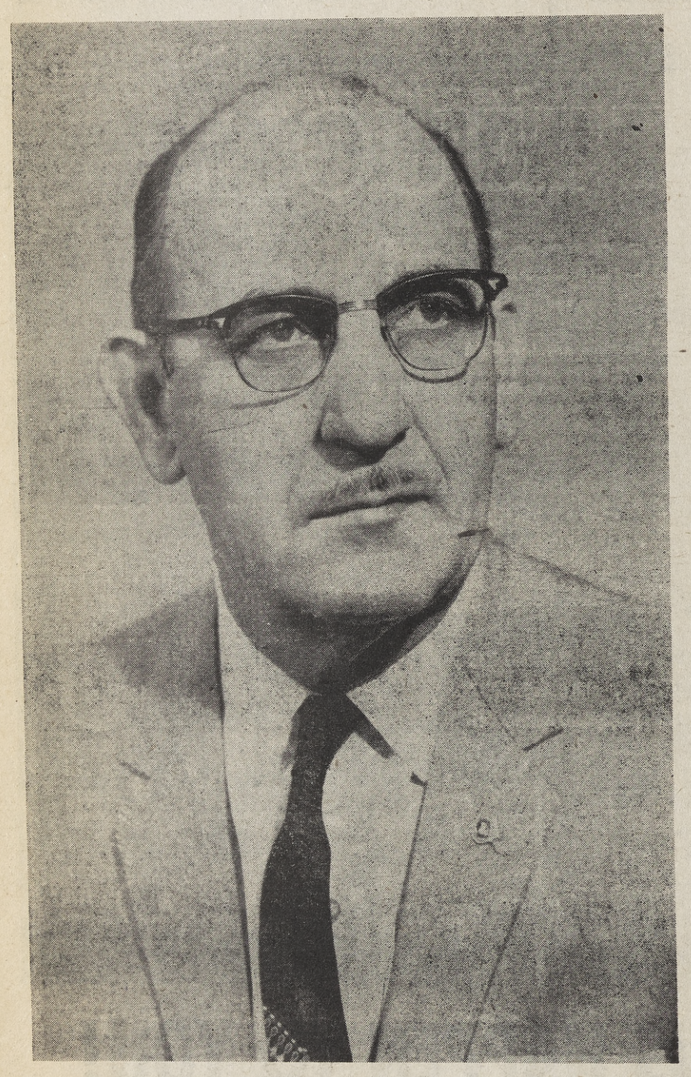
NEVADA COUNTY Voters



Your Best Interests
ARE ASSURED
By Retaining

CHARLES R. KITTS
AS
COUNTY ASSESSOR

ELECTION TUESDAY, NOV. 4
1958

HERE ARE SOME SIMPLE, FORCEFUL FACTS

EXPERIENCE — Your Assessor for 2½ years; in charge of the office, personnel and procedures. You must earn experience, you can't pick it up.

EFFICIENT — Reports and records completed on time; commendations from auditors and state boards; trained in the new state programs and recommendations.

COUNTY WIDE — It has been and will continue to be the responsibility of your assessor to devote his interests to ALL THE COUNTY, seeing to it that assessment throughout the county are equitable and fair.

COURTEOUS — Every citizen is made welcome; your story is heard; ways and means of solution are presented; you are treated as though you are top priority.

AND THIS — The Assessment Roll is the county' lifeline; the budget for all county activities and services lives by the Assessment Roll. The larger the Assessment Roll—the smaller you pro-rate share of tax payments. Assessor Charles Kitts, despite mine closing and an uncertain lumber market, has been able to show increases in the county Assessment Roll each year. You were not asked to make up any losses. In fact the larger assessment roll meant a decrease in your taxes this year. Retain Assessor Kitts —A Man who Is Vitally Interested in Your Problems.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO (CNS)—It seems almost inconceivable that anyone would seek to obligate the taxpayers of California for a sum estimated at between $35 and $75 million dollars for a project that is slowly but inexorably dying on the vine.

This has reference to the California State Fair and Exposition, a relic of California's horse and buggy days, which year by year is being touted by its supporters in Sacramento as the "biggest event of the year."

The waning popularity of the event, however, instead of causing people to talk about forgetting the entire project, is bringing up a demand for fast action on the part of the state to provide a new and expensive fair grounds, which is held to be the panacea for all of the troubles the antiquated exposition is experiencing at the present time.

In effect, the supporters of the new fair are asking 14 million people in California to guarantee a huge sum to provide an exposition which less than half a million people pay to see. And many of this half million go several times, so 100 percent are asked to put on a show for approximately three percent.

Fair officials listed 817,002 attendance at this year's fair, a drop of 1200 from last year. While the drop isn't large, the fact that attendance has been slipping every year is a straw in the wind.

An attempt to explain the drop by state fair officials, employes, concessionaires, exhibitors and the press weren't counted as attendance this year, left something of a sour taste as far as the public is concerned. But ever sourer is the fact that only through urging is the public able to get the figures that count, insofar as fair attendance is involved. These figures show total admission revenue to the 12-day show total $228,727.50, which fixed the paid attendance at 5457,455, or only 56 percent of the total entries. This probably is one reason the fair operates at a loss of from half to a million dollars a year.

There is no indication anywhere that a new fair, contemplated on a site off the Roseville freeway, would be anything more than a larger expense. Attendance might pick up for a year or so, but eventually, the taxpayers would be saddled with an even greater burden than they are at the present time, all to please the ego of a few employes trying to make jobs for themselves, and the cupidity of a few businessmen and hotel owners, many of whom "clean up" during the rush season of the fair.

That the present fair is a "flop" is conceded by many who attended. Commercialism is the outstanding keynote of the fair grounds. the races offer a program with only mediocre stock, talent at the night shows leaves much to be desired and the horse show could be improved.

Yet the cry is heard that "space is lacking for industrial buildings." Several years ago, dealers in heavy farm machinery pulled out of the fair in a row over exhibit space cost.

How the question arises, if these dealers won't support the present fair, how can they be expected to put up funds for a new fair as suggested by the promoters?

For BETTER BOATING— Vote YES on 4

Proposition 4 is California's opportunity to create a new era of recreational pleasure and Statewide prosperity by developing its harbors — coastal and inland — small and large — for all craft — from outboards to ocean liners. Proposition 4 is a self-liquidating bond issue — costing the taxpayer nothing! It not only provides funds to modernize California's vitally important State Harbor, but in addition makes it possible for communities in every section of the State to develop urgently needed small boat facilities.

BROWN: "YES!" KNOWLAND: "YES!" KNIGHT: "YES!" STATE CHAMBER: "YES!" AFL-CIO: "YES!"

POLITICAL ADVERTISEMENT POLITICAL ADVERTISEMENT POLITICAL ADVERTISEMENT POLITICAL ADVERTISEMENT

DON'T TAX SCHOOLS
DON'T RAISE TAXES

$118,000,000.00...is the amount of taxes the State Board of Equalization reports you are saved every year by California's nonprofit schools built, paid for, maintained by Protestant, Catholic, Jewish and nonsectarian groups.

$400,000,000.00...is the sum that would be required—again by official report of the State Board of Equalization—to duplicate the school buildings built at no public expense by California's 1,076 nonprofit schools.

To tax them would shift a high percentage of their enrollment into critically over-crowded public schools—at the public's expense!

$346.00 PER PUPIL...is the average cost per year to the taxpayer to educate a child in the public school system, according to figures supplied by State Controller Robert C. Kirkwood.

The State Board of Equalization reports that if these schools were taxed, they would provide less than $1,800,000 in tax revenue. Don't punish schools that are giving the taxpayers the greatest bargain in history—a $118,000,000 tax saving in exchange for less than $1,800,000 in tax exemption. To punish these schools with a tax would punish every California taxpayer.

IT'S UN-AMERICAN...Proposition No. 16 singles out for taxation the nonprofit elementary and high schools sponsored and paid for by Protestant, Catholic and Jewish faiths. It is a PUNITIVE measure. It violates the American tradition of tax-free education. AND ITS PURPOSE IS DISCRIMINATION.

No state taxes nonprofit schools, for the simple reason that they save taxpayers millions of dollars every year in school support—$118,000,000 in California alone. Parents of children attending nonprofit schools pay the entire cost without one cent of state aid.

IT'S UNFAIR...It is unfair to force a family to pay a double tax for education. Parents of children in nonprofit schools pay their full share of public school taxes. To tax their nonprofit schools would be taxing them twice for education.

None of the other 48 states taxes these schools. Tax-free education is an American tradition originating in colonial times.

Nonprofit colleges and universities are not taxed. It is unfair and inconsistent to tax California's 390 Protestant, 643 Catholic and 43 Jewish and nonsectarian elementary and high schools.

WHO IS PROMOTING NO. 16?

A front organization deceptively calling itself "Californians for Public Schools"—which has **NO CONNECTION WHATSOEVER** *with the public schools, does not have* **ONE** *public school official or teacher on its committee, has* **NEVER** *supported a single public school bond issue, or ever raised its voice to help solve any of the critical problems of the public schools. The sole purpose of No. 16 is* **DISCRIMINATION.**

ORDINANCE NO. 5809
of
TRUCKEE PUBLIC UTILITY DISTRICT
APPOINTING OFFICERS OTHER THAN DIRECTORS

WHEREAS Section 16111 and following of the Public Utilities Code provides among other things for the appointment of officers other than Directors; and

WHEREAS the Board desires to appoint said officers by reason of recent resignations;

NOW THEREFORE, BE IT ENACTED BY THE BOARD OF DIRECTORS OF TRUCKEE PUBLIC UTILITY DISRICT, as follows:

1. That Patsy Tonini, be and she is hereby appointed Clerk and Bookkeeper of Truckee Public Utility District, and of the Board of Directors thereof, said Clerk and Bookkeeper to receive a salary for such work as Clerk and Bookkeeper in the amount of $300.00 per month payable semi-monthly.

2. That Evangeline Hallett be and she is hereby appointed Treasurer of the Truckee Public Utility District and for such services she shall receive the sum of $350.00 per month, payable semi-monthly.

3. That Daven Morey be and he is hereby appointed Secretary of the Board of Directors of Truckee Public Utility District and for such services he shall receive the sum of $500.00 per month.

4. That the officers hereinabove named and hereby appointed shall perform such duties as are provided by the Public Utilities Code of the State of California applicable to Utility Districts in unincorporated territory and such further duties as may be imposed upon them from time to time by the Board of Directors thereof, and said officers hereby appointed shall hold office at the pleasure of the Board of Directors of said District.

5. That the Treasurer of said District, hereinabove named, shall have charge of the funds of said District, the said funds to be withdrawn only upon order of the Treasurer and upon the signature of the Treasurer and at least one members of the Board of Directors thereof. Said Treasurer shall post a bond with said District in the amount of $10,000.00.

6. Copies of this ordinance shall be posted in three public places within said District and published in the Sierra Sun at least once, said posting and publishing to be completed not later than 21 days from the date hereof, and the Clerk of said District is hereby authorized and directed to effect said postings and publishing.

The foregoing ordinance was duly passed and adopted by the Board of Directors of Truckee Public Utility District this 25th day of September, by the following vote:

AYES: Dan Horman, H. M. Welch, B. R. King, Jr., George Kaspian, Jack Neugebauer.
NOES: None.
ABSENT: None.

H. M. WELCH,
President of the Board of Directors.
Truckee Public Utility District.

THREE COMMITTEES NAMED FOR SKIING EVENTS FOR GAMES

Appointments to the three ski race committees for the 1960 Olympic Winter Games at Squaw Valley, were revealed by Prentis C. Hale, president of the organizing committee.

The committeemen, who were appointed with the concurrance and approval of the National Ski Association, will also serve in similar capacities during the North American Ski Championships at Squaw Valley, Feb. 21-March 2, 1959. The Olympic Games are scheduled Feb. 18-28, 1960.

Dick Durrance of Aspen, Colo., was named chief of race for the downhill-slalom competitions; Wednall Broomhall of Rumford, Maine, chief of race for cross country competitions, and Olav Ulland of Seattle, Wash., the chief of jumping competitions.

Durrance, an internationally famous winter sports photographer, was a member of the 1936 and 1940 United States Olympic teams and is generally recognized as one of the greatest all-around performers in America ski annals.

Broomhall was a member of the 1948 U. S. Olympic team while Ulland is a former world record holder in the jump.

The committees:

Downhill-Slalom

Chief of race, Durance.

Secretary of race, Albert E. Sigal of Palo Alto, former National Ski Association president.

Chief of course, Willy Schaeffler, Denver, coach of Denver University ski teams, five times champions of the National Collegiate Athletic Association.

Chief gatekeeper, Shelton Leonard of Reno, University of Nevada ski coach.

Chief of timekeeping and calculation, E. F. Seagle, of Sun Valley, Idaho, supervisor of timing procedures on all Harriman cup races.

Cross Country

Chief of race, Broomhall.

Co-chief of course, Allison Merrill of Lebanon, N. H., Dartmouth College ski coach.

Co-chief of course, Sheldon Varney of Al Tahoe, alternate on the 1954 United States team which competed in the world championships.

Secretary of race, Graham Taylor of Chicago, Ill., former Harvard University ski team captain.

Chief of timekeeping and calculation, Robert Wakeman of Tahoe Valley, pioneer developer of electric timing devices for Sierra ski events.

Chief steward, Bill Parish of Reno, director of the Reno Ski Club's junior program.

Jumping

Chief of competition, Ulland.

Chief of the hill, Corey Gustaffson of Portland, Ore., a leading competitor in the Northwest from 1930 through 1940.

Secretary of the competition, Earl Little of Leavenworth, Wash., chairman of the NSA's jumping committee.

Chief of the take-off, Walter Bietila of Iron Mountain, Mich., jumping member of the 1936, 1940 and 1948 U. S. Olympic teams.

Chief steward, Jerry Wetzel of Reno, veteran Sierra jumping official.

CANDIDATE GREETS COMMANDER-IN-CHIEF.

Curtis W. Tarr, candidate for Congress in the big Second District, enjoys a personal chat with President Eisenhower during the President's recent visit to San Francisco. Tarr, who saw combat duty in Europe, including the Battle of the Bulge, as a sergeant in the 491st Armored Artillery Battalion, 11th Armored Division, was singled out Tuesday by his former Commander-in-Chief as "the type of young American of whom the Republicans can be proud to have attracted to their party".

NEW SCHEDULE FOR CHURCH ANNOUNCED

New Church School Schedule

Paster Taylor announces that commencing Sunday morning, November 2nd, a new church school schedule will go into effect at Community Methodist Church.

All elementary and pre-school pupils will gather at the church at 11 a.m. Pre-school children will meet with their teachers on the ground floor. All elementary school children will participate in the first part of the morning worship service in the sanctuary. At a special point in this service they will be excused to attend their own church school classes. The classes for junior and senor high school students and adults will convene at 10:15 and close at 10:50. A nursery will be provided during the worship service as usual.

PATROL IS PLANNED FOR TREE HARVEST

Landowners in the eastside ranger districts have again financed a cooperative Christmas tree patrol with the Tahoe National Forest. This past week six cooperating public agencies met to lay plans for this season's Christmas tree patrol.

This year's patrol promises to be more effective than in past years with more men, better equipment and excellent communications, District Ranger Roy Saarni declared.

Christmas tree cutters and purchasers are urged to know and abide by all state and county laws dealing with the cutting and transporting of Christmas trees, he added. For information contact county or forest service officials.

Martin Johnson returned to Sacramento after he had been here Tuesday, as a business visitor.

WOLVERINES

Continued from Page 1

Craig Robinson and company marched the ball to the one where he plunged into the end zone. Cantrell's P.A.T. was good and the Mountain Men led 13-0.

In the second quarter Robinson again threw to Cowan for 32 yards and six points. Cantrell's aim again was true and the Wolverines had a 20-0 substantial lead into the half.

Ray Cantrell picked up a Mustang fumble early in the opening minutes of the third quarter and returned it to the home team 16. Jerry Cinani replaced Robinson at quarterback and the first play from scrimage threw a 16-yard aerial to end Cowan for the fourth Wolverine TD. The extra point again was good and it was TnT 27, Lovelock 0.

In the last and final frame Cantrell again stole a fumble, his third of the game, and raced to the 27-yard stripe of Lovelock. A series of plays later saw Rex Donaldson, Truckee fullback, bulldoze his way into the scared territory from 14 yards out for the last Wolverine scoring. The kick was wide for the first time in the contest and Truckee left the field with 33 points to the Mustangs' 0.

Rex Donaldson played his usual outstanding game on defense making 50 percent of the Mountaineer's stops. Steve Cowan, who didn't even start the campaign with the Wolverines and was second string for half of the season, has come along to be an excellent receiver on the Wolverine forward wall.

Tomorrow the Wolverines travel to Manogue to play the always dangerous Manogue Miners whom the Mountain Men have never beaten in pigskin history. Manogue suffered a 31-0 setback last week at the unscored on Winnemucca Buckaroos.

In the JV tilt at Reno the JV found the Reno defense tough and the offense even tougher dropping a 20-0 tilt to the Huskie juniors. It was the second loss in five starts for the "Cubs" this season.

ENGINEER FILES SUIT AGAINS TAHOE CLUB

RENO—E. J. Smith, a project engineer on the Squaw Valley Olympic Games site, has filed suit for more than $90,000 against the Crystal Bay Club at Lake Tahoe, the Washoe County sheriff and one of his deputies.

Smith charges he was assaulted and attacked August 3rd by A. T. McCarter, a deputy of Sheriff C. W. Young.

Smith stated he was gambling in the club when a pit boss instigated the attack.

He seeks $30,000 from each of the defendants in addition to medical expenses.

ON TV

Assemblyman Francis C. Lindsay of the sixth district will appear on KBET-TV, Channel 10, at 2 p.m. on Saturday, November 1. He will discuss the mother lode water problem.

In Hospital—

Harry Digesti returned home last weekend from Tahoe Forest Hospital where he had been a patient.

Monday Hostess—

Mrs. Harry Digesti was hostess to members of the Monday Evening Card Club. Refreshments and visiting followed the games.

At Folsom—

Mrs. Bob Euer has left Truckee to winter at Folsom.

To Oroville—

William Benish of B & B Truck Parts, was a business visitor at Oroville today.

Buehler To Auburn—

Easton Buehler of Truckee left for Auburn where he is a technician trainee at DeWitt State Hospital.

Courtesy School Is Gaining Interest

Truckee-Tahoe area businessmen are evidencing much interest in the "Tourist Courtesy School" that opens a four-evening course on November 3-6 at the Crystal Bay Club, at Crystal Bay.

The classes, to be held from 8 to 10:30 p.m. nightly on those dates, are under the sponsorship of the Placer County Chamber of Commerce and Sierra College, and are being assisted by the Truckee and Tahoe-Sierra Chambers of Commerce. These local groups will augment the speaker-instructors with local people, who will conduct an open forum on tourist problems that beset the resort owners and businessmen in a vacation area. All local people who occupy positions in which they come into contact with the public are urged to attend the course, which is offered free of any charge to all who would like to avail themselves of this opportunity.

Speakers include James Hammond, director of travel and recreation of the California State Chamber of Commerce; George McClean, public relations representative, Standard Oil Co. of California; Robert Montgomery, California Department of Fish and Game; Lou Spitz,, housing director, 1960 Olympic Winter Games, and Don Dickey, field manager of the California State Chamber of Commerce. Henry Branaugh, supervisor of Tahoe National Forest and many local area personages will also instruct.

While reservation blanks have been mailed to business people throughout the area, it is not mandatory that this be done at this late date. It would be appreciated if those who wish to attend would phone Pat Tonini at the Truckee Chamber or Gwen Robinson at the Tahoe-Sierra Chamber, informing them on the planned number to attend in your party, in order that officials of the classes may anticipate the attendance.

DEATHS ARE MOURNED BY TAHOE CHURCH

TAHOE CITY—The congregation of St. Nicholas was saddened this week to learn of the passing of the mother of Mrs. Evie Waters, Mrs. Laura Reese of Negadoches, Texas. Mrs. Waters was the founder of the Tahoe City Sunday School 10 years ago. A memorial fund will be started in her memory.

Friends of Mrs. Jessica Coffin were saddened to hear of her passing Saturday in Pasadena. Her daughter, Mrs. Herbert Hazeltine, has requested that a memorial be started in her mother's memory. Memorial funds may be sent to St. Nicholas Building Fund, Box 2, Tahoe City.

Funeral services were held for Mark Stephens in St. Nicholas Hall Sunday afternoon. The Rev. Gordon Ashbee officiated. This was the first funeral service to be held from St. Nicholas Mission. The sympathy of the congregation goes to Mrs. Stephens.

Next Sunday there will be a coffee hour following the services. All are cordially invited to attend.

CARD OF THANKS

The many wonderful thoughts and messages sent during my recent illness were an incentive toward recovery and I am taking this means of expressing thanks to our friends.

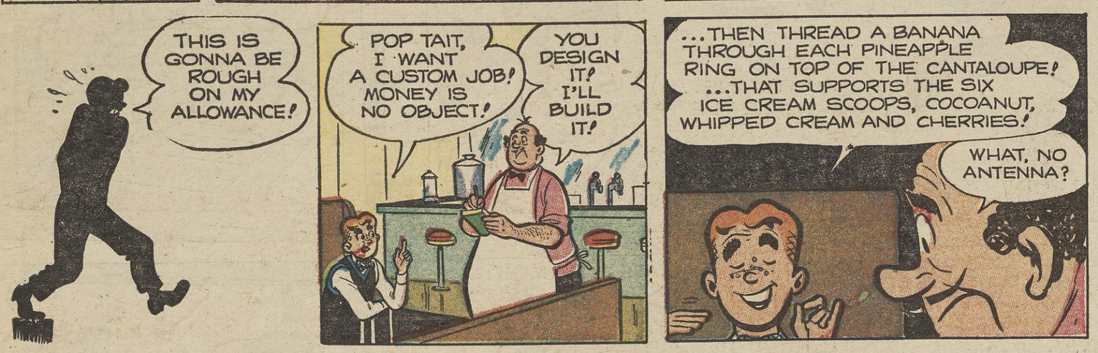
IS THAT ALL I GET TO EAT?
NO, YOU CAN HAVE A SECOND GLASS OF WATER AND A TOOTHPICK!
YOU TOLD ME TO KEEP YOU ON A STRICT DIET! FRED! WHAT ARE YOU DOING??
WELL, I HAVE TO EAT SOMETHING!

OH, NO! THREE TIMES AROUND THE BLOCK!
CAN I HAVE POP'S DESSERT?
WHAT DESSERT?
YOUR FATHER IS ON A DIET! IT WOULDN'T BE NICE FOR US TO EAT DESSERT!
WHAT??



THIS IS GONNA BE ROUGH ON MY ALLOWANCE!
POP TAIT, I WANT A CUSTOM JOB! MONEY IS NO OBJECT!
YOU DESIGN IT! I'LL BUILD IT!
...THEN THREAD A BANANA THROUGH EACH PINEAPPLE RING ON TOP OF THE CANTALOUPE! ...THAT SUPPORTS THE SIX ICE CREAM SCOOPS, COCOANUT, WHIPPED CREAM AND CHERRIES!
WHAT, NO ANTENNA?

MAN, I'LL BET YOU NEVER GOT AN ORDER AS FAR OUT AS THAT!
THAT'S FROM NOWHERE!
YOU SHOULD SEE THE CREATION I MADE FOR THE GUY IN THE NEXT BOOTH!

CAN WE SEE ROSE'S BABY?

SURE... UNLESS SHE'S SLEEPING

HERE'S TOM... AND HE HAS THE NEW CAR!!

COME OUT AND LOOK AT IT, ROSE.

I CAN'T, AUNT JANE... NOT WHILE THE BABY IS CRYING LIKE THIS.

WHAT A WONDERFUL SURPRISE, TOM! I DIDN'T KNOW YOU WHERE GETTING IT TODAY...

I WANT TO SEE THE BABY BEFORE WE GO!

YOU'D BETTER NOT, PENNY ... SHE'S BEEN FRETTING ALL DAY AND ROSE DOESN'T KNOW WHAT'S THE MATTER!

MAYBE IT'S TIME TO TAKE HER BACK TO THE DOCTOR FOR HER THOUSAND MILE CHECK-UP!!
